

Arize[®] Integral

Bigger Yields

Lighting within the canopy of high wire crops encourages plant growth, fruit production and boosts yields per square meter

Doubled Up

The Integral spreads light at a wide 120° angle from both sides of the fixture, immersing all surrounding leaves in light

Sustainable

With an efficacy level of 3.5 $\mu\text{mol}/\text{J}$, you will be maximizing your crop's output while minimizing your input

Trusted

A standard five-year warranty and a lifetime exceeding 54,000 hours ensures consistent, predictable yields for years to come
